Tech: Thank you for calling Blendtec. My name is Shari. And whom do I have the pleasure of speaking with today?

Customer: Hi Shari. This is Terri Kenny.

Tech: Hi Terri, how can I help you?

Customer: Well, I sent, I had the little Blendtec when you had the recall. And I sent the picture of the serial number and then I cut the thing into three pieces. And I sent that all to you and I haven't heard anything, and I just was wondering how long it's supposed to take, because I really use my little Blendtec all the time.

Tech: Is this for BlendJet? The little portable ones?

Customer: Yes, the little BlendJets.

Tech: You got the wrong number. Let me give you their number.

Customer: Okay. I'm sorry.

Tech: That's okay. It happens often.

Customer: Okay, I'm ready.

Tech: Alrighty. That is 1-844.

Customer: Uh-huh.

Tech: 588.

Customer: 588.

Tech: 1555.

Customer: 1555. Well, that's an easy one to remember. I'll give them a call and thank you so much for helping me.

Tech: You're very welcome. Good luck!

Customer: Thanks. Bye-bye.

Tech: Bye-bye.
